Madison, WI 53708-8682

Dear Friends,

On behalf of our medical teams at work around the world, please accept my sincerest thanks for your generous gift of \$2,500.00, received on November 19, 2015. With your support at this level, you are now counted as a member of our Doctors Without Borders/Médecins Sans Frontières (MSF) Partner program. Partners' gifts of \$500 or more further empower our medical teams to treat people in urgent need of medical care.

Your financial support is the source of the lifesaving care we deliver, and we couldn't do it without you. On any given day more than 31,000 Doctors Without Borders staff are at work bringing emergency medical care to people in nearly 70 countries—often in situations where only Doctors Without Borders is there to help.

Soon you will receive our quarterly *Alert* magazine with in-depth coverage of our response to—and analysis of—international crises. And you will be invited to special events such as interactive teleconferences where Doctors Without Borders aid workers provide detailed updates on our activities. If you would prefer not to receive these benefits, just let us know by calling 212-763-5797 or emailing us at [donations@newyork.msf.org](mailto:donations@newyork.msf.org).

Should you have any questions regarding our work or the Partners program, please do contact me. I've enclosed my card with all of my contact information.

Again, thank you for taking action and joining us in our mission to treat patients based on our medical assessment of their needs alone—and not on any other agenda. Becoming a Doctors Without Borders Partner is one of the most powerful and effective ways to help our teams bring lifesaving medical care to men, women, and children caught in conflicts, natural disasters and epidemics all over the world.

Sincerely,

Kim Daley Jones  
Marketing Manager
