

DAZZeL Sewer Sweetener

Wastewater Odor Neutralizer

DAZZeL Sewer Sweetener reacts with common wastewater odors and breaks them down in a fundamental way. This product is a blend of essential oils (plant extracts) that binds with volatile malodorous compounds and breaks them down, in an irreversible reaction.

Works on sulfides, mercaptans, ammonia, septic, and volatile fatty acid odors. This product is not a perfume or masking agent; instead it neutralizes the molecules responsible for the odor. This product is non-toxic and formulated specifically for use in biological wastewater systems.

Breaks down the odorous molecules

- Not a masking agent

Works great in:

- Collection systems, influent wells, sludge holding tanks, small lagoons
