

# Anaerobic Digester Questionnaire

Please return to [info@teamaquafix.com](mailto:info@teamaquafix.com)

1. Company Name \_\_\_\_\_

2. Contact Name \_\_\_\_\_

Contact Phone \_\_\_\_\_ Email Address \_\_\_\_\_

3. Number of digesters and configuration?

\_\_\_\_\_

4. Total volume of digester(s)?

\_\_\_\_\_

5. What kind of digester is it? (eg: complete mix, UASB, etc.)

\_\_\_\_\_

6. Inflow or feedstock volume per day

\_\_\_\_\_

7. Incoming COD average

\_\_\_\_\_

8. Digester pH

\_\_\_\_\_

9. Digester Alkalinity

\_\_\_\_\_

10. Volatile acids to Alkalinity ratio, if known

\_\_\_\_\_

11. What is the temp of the digester? Does temp fluctuate regularly, or recently?

\_\_\_\_\_

12. Is your methane production measured/tracked? Please describe.

---

13. How has the flame color changed, if it all? What color is it now

---

14. How is odor, how has it changed, does the odor have any hints of hydrogen sulfide?

---

15. Other comments or observations:

---
